#### **Where to Park**

We have 3 parking spots, no street parking, and only one lane on Fritz Avenue, **SO**...be patient and careful when dropping off your children. The Pancake House parking lot is available after 2:00 , but you can park there briefly for drop off.

#### **How to Get Back on University Ave Safely**

Going east on University Avenue? It is difficult to make a left hand turn onto University Avenue from Fritz Ave. most times of the day.

- ❖ Try taking a right on University, turning left immediately onto Capitol Ave, left on Old Middleton Road which merges onto University.
- ❖ At the end of Fritz Ave. sneak through the strip mall parking lot on the left, turn left on Norman Way, right on Mendota, right on Spring Harbor which gives you a traffic light.

#### **Need to Reach the Studio?**

Call Kasia at 608-225-7629. I do not have access to my email account during the day.
