Where to Park

We have 3 parking spots, no street parking, and only one lane on Fritz Avenue, SO...be patient and careful when dropping off your children. The Pancake House parking lot is available after 2:00 , but you can park there briefly for drop off.

How to Get Back on University Ave Safely

Going east on University Avenue? It is difficult to make a left hand turn onto University Avenue from Fritz Ave. most times of the day.

- Try taking a right on University, turning left immediately onto Capitol Ave, left on Old Middleton Road which merges onto University.
- At the end of Fritz Ave. sneak through the strip mall parking lot on the left, turn left on Norman Way, right on Mendota, right on Spring Harbor which gives you a traffic light.
